POLES

This new comprehensive collection of metal and wood curtain poles from **universal** offers a selection of contemporary finials and finishes to suit a variety of interior décors.

The metal collection features 19mm and 28mm fixed length poles, 16/19mm and 25/28mm extendable poles plus the exciting introduction of a bay pole and an eyelet pole kit. Available in 4 beautiful finishes and with a choice of 4 classically designed finials, the metal pole range offers a solution for most window dressing situations.

The wood portfolio features 28mm pole kits in 5 bestselling colours, complete with a classic ball finial, bracket and rings.

The Universal pole range offers extensive choice at affordable prices.
