‘À la Mode is more than a collection, it’s a statement of style. Drawing on the sleek confidence of mid-century design and reimagining it for the present, this series of wallcoverings and fabrics celebrates geometry in its most expressive forms.

Bold stripes meet intricate miniatures, terracotta and pink collide with modern neutrals. The result is a palette that feels fresh yet familiar, sophisticated yet daring.’

Atton WALLPAPER

Style: Modern Retro / Soft Geometric

A subtle canvas-like texture runs through the design, softening the geometry and giving it a handcrafted warmth that suits a wide range of spaces. Whether used as a statement backdrop or across an entire room, this wallpaper delivers an effortless sense of refinement

Curate your scheme with complimentary fabric, and the Artisan Weave Plain to complete your look.

Ponty WALLPAPER

Style: Modern Linear / Structured Pattern

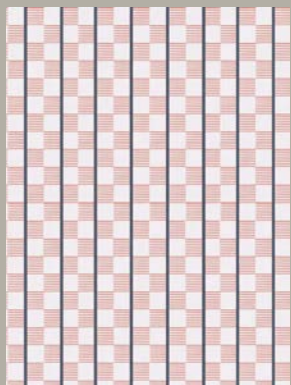

Ponty brings a twist to the linear check design. Creating a beautifully balanced pattern that feels both contemporary and inviting. The repeated horizontal lines form a subtle check effect, while the gentle textured effect finish introduces a handcrafted softness.

Ideal for modern interiors that favour natural materials and muted earthy tones. It pairs effortlessly with oak, rattan, brushed brass, and warm neutral palettes, lending depth and structure to living rooms, dining areas, hallways, or creative workspaces.
